### **Most commonly misunderstood rules in the Chula Vista Recreation Department Youth Coed Indoor Soccer League:**

- 1). A goal counts once the ball touches the ball line. **Incorrect.** A goal counts once the ball has completely crossed the goal line.
  - 2). A player, non-goalie, which is on the ground, may touch the ball with their foot/feet to kick-it or protect the goal. **Incorrect.** If a player, non-goalie, touches the ball with their feet intentionally while on the ground there will be a foul awarding the opposing team with a free kick.
  - 3). There are seven players on the court, which is a penalty. **Possibly Incorrect.** We allow a seventh player on the court when a team is losing by four or more points and the seventh player added is not recorded as a quarter played on the field. If the score is reduced to three or less, than the player added will be immediately removed from the game. If the score gets to be a six or more point differential we may reduce the winning team to five players on the court. This is referred to as the "Big Lead Rules." There are no big lead rules applied during playoffs.
- 

### **New Rules:**

- 1). During the regular season, all players must play a minimum of two complete quarters and sit one complete quarter. In addition, one of the two complete quarters played must be completely in the field as a non-goalie player.
- 2). During the playoffs (no playoffs for D Division), all players must play two complete quarters and sit one complete quarter. There is no requirement to play the field, non-goalie position, for the playoffs, meaning it is possible for a player to play three complete quarters as the goalie during the playoffs at the coach's discretion.
